Thank you for your interest in our accredited course – General Pest Skillset.

Our General Pest skillset has been designed to train students how to operate competently and safely to identify the most commonly encountered urban pests, assess infestation cause and severity, consider options & develop the pest management plan, and apply treatments using appropriate equipment.

Successful completion of our General Pest skillset will help student meet the requirements of the Pest Technician licence in all Australian states except WA. *The WA licensing authority requires students complete the full CPP30115 Certificate III Urban Pest Management for licensing.*

General Pest Units of Competency

- ❖ CPPPMT3005 Manage pests without applying pesticides
- ❖ CPPPMT3006 Manage pests by applying pesticides
- ❖ CPPPMT3018 Maintain equipment and pesticide storage area in pest management vehicles

OPTIONAL, BUT RECOMMENDED:

Rapid Workshop (General Pest)

Our Rapid Workshops are designed to be delivered alongside and in support of our courses and can assist you to fast-track your learning in an intensive face to face learning environment. Rapid Workshops are offered to all enrolling industry students at \$600 per person and attendance is highly recommended.

Rapid workshops are delivered by our experienced trainers over 5 days and will focus on the practical application and best practice when conducting risk assessment, inspections, and the development & application of treatment plans. The last day of the workshop is a practical day where you will spend on site with the trainer applying the skills you learnt throughout the workshop. Please note the hours applied on the final day can be attributed to the student's workplace logbook.

Workshops will be scheduled in capital cities on a demand basis. After enrolment we will advise of the upcoming proposed sessions for you to register for. The workshop must be completed, prior to the issuance of certification.

Conditions of Enrolment:

Unique Student Identifier (USI) number:

A USI number is a required for all students undertaking Australian accredited training. If you do not have a USI, please create your own USI at: <https://www.usi.gov.au/students/create-your-usi> and then email the USI number to training@rapidsolutions.com.au

Language Literacy and Numeracy (LLN) Assessment:

Satisfactory completion of the LLN assessment is required for all students. After enrolment students will be send a link to complete the LLN assessment, students will obtain a minimum Level 3 outcome on all LLN requirements.
