

Our **Timber Pest Inspector** course has been designed to deliver the required minimum competencies for experienced Technicians or Building Inspectors to develop & diversify their current knowledge and skills to perform Timber Pest Inspections.

This qualification is offered through an online blended delivery method, whilst under supervision of a qualified Timber Pest Manager.

In this course students will build knowledge and skills to operate competently and safely to:

- ❖ Identify and manage the **most encountered** timber pests
- ❖ Gain skills in inspection to assess infestation, cause & severity of timber pests
- ❖ Complete reports for on timber pest inspections and reporting activity
- ❖ Understanding and identifying control methods and applications for timber pests, to further develop your skills when inspecting properties.

#### **UNIT OF COMPETENCY & MODULE:**

- ❖ CPPUPM3008 Inspect and report on timber pests
- ❖ Timber Pest Controls – Theory only (*non-accredited*)

#### **TRAINING, RESOURCES & SUPPORT:**

- ❖ **Online Lessons:** Course material is interactive and readily available from our training portal
- ❖ **Webinars:** Access recorded webinars, hosted by our trainers, covering key course materials.
- ❖ **Student Support Hour:** Virtual face to face support with our trainers, for assistance with course material and assignments are held twice a week
- ❖ **Chat & Email:** Submit your course or assessment queries 24/7 via the chat option on the online portal or via email.
- ❖ **Other:** To provide additional support and reference, students are encouraged to purchase/source copies of:
  - Textbook: "Australian Termites"
  - the Australian Standards and Codes of Practice for Timber Pest Management.

#### **MODE OF ASSESSMENT:**

All units are assessed online, and include:

- ❖ **Theory Assessment:** Students complete a range of Multiple Choice and Short Answer questions on the course content
- ❖ **Practical Assessments:** Students record a range of videos demonstrating their ability to competently apply their skills and knowledge across three live job sites.
- ❖ **Logbook:** Student must complete a logbook of 10 Timber Pest Inspections under an accredited technician.

#### **WHERE:**

Online portal is easily accessible and available 24/7 from any phone, tablet, or computer.
