Timber Pest Inspector

Our **Timber Pest Inspector** course has been designed to deliver the required minimum competencies for experienced Technicians or Building Inspectors to develop & diversify their current knowledge and skills to perform Timber Pest Inspections.

This qualification is offered through an online blended delivery method, whilst under supervision of a qualified Timber Pest Manager.

In this course students will build knowledge and skills to operate competently and safely to:
❖ Identify and manage the **most encountered** timber pests
❖ Gain skills in inspection to assess infestation, cause & severity of timber pests
❖ Complete reports for on timber pest inspections and reporting activity
❖ Understanding and identifying control methods and applications for timber pests, to further develop your skills when inspecting properties.

UNIT OF COMPETENCY & MODULE:
❖ CPPUPM3008 Inspect and report on timber pests
❖ Timber Pest Controls – Theory only *(non-accredited)*

TRAINING, RESOURCES & SUPPORT:
❖ **Online Lessons:** Course material is interactive and readily available from our training portal
❖ **Webinars:** Access recorded webinars, hosted by our trainers, covering key course materials.
❖ **Student Support Hour:** Virtual face to face support with our trainers, for assistance with course material and assignments are held twice a week
❖ *Chat & Email:* Submit your course or assessment queries 24/7 via the chat option on the online portal or via email.
❖ *Other:* To provide additional support and reference, students are encouraged to purchase/source copies of:
  ○ Textbook: *"Australian Termites"*
  ○ the Australian Standards and Codes of Practice for Timber Pest Management.

MODE OF ASSESSMENT
All units are assessed online, and include:
❖ **Theory Assessment:** Students complete a range of Multiple Choice and Short Answer questions on the course content
❖ **Practical Assessments:** Students record a range of videos demonstrating their ability to competently apply their skills and knowledge across three live job sites.
❖ **Logbook:** Student must complete a logbook of 10 Timber Pest Inspections under an accredited technician.
